# Secure Provider Portal

*Manage patient administrative tasks quickly and easily.*

**ambetter.** FROM | **magnolia health**™

### Visibility of Multiple TINs
One point of entry allows for quick and easy access to Ambetter from Magnolia Health member information for multiple TINS/practices.
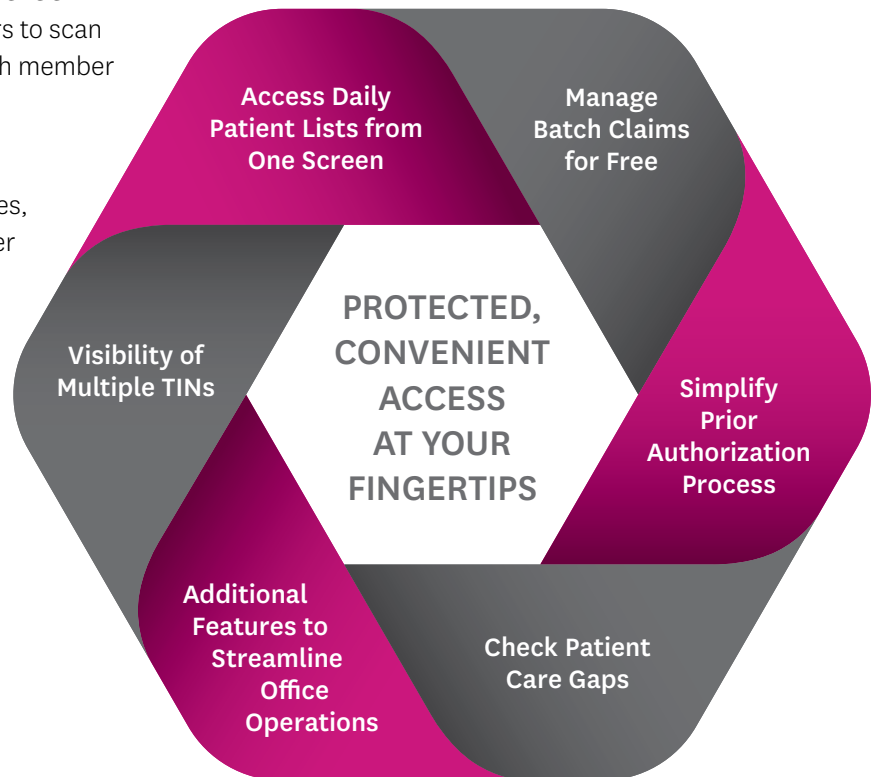

### Access Daily Patient Lists from One Screen
One concise view allows primary care providers to scan patient lists for Ambetter from Magnolia Health member eligibility, care gaps, and much more.

### Manage Batch Claims for Free
Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

### Simplify Prior Authorization Process
"Smart Sheets" feature prompts for required clinical information when submitting prior authorization requests.

### Additional Features to Streamline Office Operations:
- View patient demographics & history
- Secure messaging between provider & Ambetter from Magnolia Health
- Update provider demographics
