## We Care About Your Health

### How Can I Pay My Monthly Premium?

#### What Happens If I Pay Late?

**Your bill is due before the first day of every month.** For example, if you are paying your premium for June, it will be due May 31.

If you don't pay your premium before its due date, you may enter a grace period. This is the extra time we give you to pay. During a grace period, we may hold — or pend — payment of your claims. During your grace period, you will still have coverage. However, if you don't pay before a grace period ends, you run the risk of losing your coverage. Refer to your *Evidence of Coverage* for grace period details.

# Finding the Right Care

We're proud to offer our quality service. Our local provider network is the group of doctors, hospitals and other healthcare providers who have agreed to provide you with your healthcare services.

To view our online Provider Directory, visit [guide.ambetterhealth.com](https://guide.ambetterhealth.com) and use our Ambetter Guide- the Ambetter provider search tool. It can help you find a Primary Care Physician (PCP), pharmacy, lab, hospital, or specialist.

A Provider Directory is a listing of providers near you. If you would like a printed copy of this listing, please call Member Services at 1-866-263-8134 (TTY 1-855-868-4945).

Get the right care at the right place! When you need medical care, get to know your options. They include: Calling our 24/7 Nurse Advice Line, Ambetter Telehealth through Teladoc, making an appointment with your Primary Care Physician (PCP), visiting an Urgent Care or going to the Emergency Room(ER). Your decision will depend on your specific situation.

The screenshot shows the Ambetter Guide website. At the top, there is a navigation bar with the Ambetter logo, a hamburger menu, and links for 'Find Care', 'Advanced Search', and 'Saved Providers'. On the right, there are 'Sign up' and 'Log in' buttons. Below the navigation bar, there are filters for 'State: Nevada', 'Network Year: 2023', and 'Provider Network: VALUE' with an 'EDIT' button. A language dropdown is set to 'ENGLISH'. A light blue notification box states: 'This plan may require a referral from a Primary Care Provider before seeing some providers.' Below this is a section titled 'Find nearby in-network care' with a search bar for 'Search by name, specialty, NPI, procedure' and a location dropdown set to 'Las Vegas, NV, USA'. There is a 'Search' button and a link to 'Advanced Search'.

## Urgent Care facilities near you

[See all](#)

## Your Primary Provider Group

Your primary provider group is your main group of doctors - who you see for regular checkups. You can see any provider within your primary provider group. If your condition isn't life-threatening, calling your primary provider group should be your first choice.

Visit or call your primary provider group if you need\*:

- Your annual wellness checkup & vaccinations
- Advice about your overall health
- Help with medical problems such as cold, the flu and fevers
- Treatments for an ongoing health issue like asthma or diabetes

\*Any service not performed by your primary provider group will require a referral.

## Selecting A Different Primary Provider Group

We want you to be happy with the care you receive from our providers. To search our online Provider Directory, visit [guide.ambetterhealth.com](http://guide.ambetterhealth.com).

Doctors who may serve as PCPs include: General Medicine, Family Practice, Pediatrics, Internal Medicine, OB/GYN, and Nurse Practitioners. To search for PCPs visit [guide.ambetterhealth.com](http://guide.ambetterhealth.com).

If you would like to change your Primary Provider Group for any reason, log in to your online member account and select "Change PCP" under the Doctors tab.

For new members, visit [ambetter.SilverSummitHealthPlan.com/resources/new-members/get-started.html](https://ambetter.SilverSummitHealthPlan.com/resources/new-members/get-started.html).

Remember - always make sure your providers are in-network. Using in-network providers can save you money on your healthcare costs. Every time you receive medical care, you will need your member ID. Learn more about your options at <https://ambetter.SilverSummitHealthPlan.com/resources/handbooks-forms/where-to-go-for-care.html>.

Call our 24/7 nurse advice line anytime: 1-866-263-8134 (TTY 1-855-868-4945).

## When To Go To An Urgent Care Center

An urgent care center provides fast, hands-on care for illnesses or injuries that aren't life threatening but still need to be treated within 24 hours. Typically, you will go to an urgent care center if your PCP cannot get you in for a visit right away.

### Common urgent care issues include:

- Sprains
- Ear infections
- High fevers
- Flu symptoms with vomiting

### If you think you need to go to an urgent care center, follow these steps:

- Call your PCP. Your PCP may give you care and directions over the phone or direct you to the right place for care.
- If your PCP's office is closed, you can do one of two options:
  1. Locate an in-network urgent care center by using our online Ambetter Guide at [Guide.AmbetterHealth.com](https://www.AmbetterHealth.com), type in "Urgent Care" and your zip code, then click search.
  2. Call our 24/7 nurse advice line at 1-866-263-8134 (TTY 1-855-868-4945). A nurse will help you over the phone or direct you to other care. You may have to give the nurse your phone number.

Check your *Schedule of Benefits* to see how much you must pay for urgent care services.

After your visit, let your PCP know you were seen at an urgent care and why.

## When To Go To The ER

Anything that could endanger your life (or your unborn child's life, if you're pregnant) without immediate medical attention is considered an emergency situation. Emergency services treat accidental injuries or the onset of what appears to be a medical condition. We cover emergency medical and behavioral health services both in and out of our service area. We cover these services 24/7. Emergency services are covered in-network and out-of-network. When receiving Emergency Care at either an in-network or out-of-network provider the only bill you should receive is for any applicable cost share (e.g. co-pay, deductible or co-insurance).

Refer to your *Evidence of Coverage* for information on Protection from Balance Billing.

If you need help deciding where to go for care, call our 24/7 nurse advice line at 1-866-263-8134 (TTY 1-855-868-4945). In an emergency, call 911 or head straight to the nearest emergency room. Seek ER services only if your life is at risk and you need immediate, emergency medical attention.

Have your member ID and photo ID ready. You will need them whenever you receive any type of care. Urgent care is not emergency care. Only go to the ER if your doctor tells you to or if you have a life-threatening emergency.

To find another provider or specialist in our network, check out our provider list on the **Find a Doctor** page at [guide.ambetterhealth.com](https://guide.ambetterhealth.com).

Always make sure your providers are in-network. Using in-network providers can save you money on your healthcare costs.

## When To Go To The ER (Continued)

### Go to the ER if you have:

- Broken bones
- Bleeding that won't stop
- Labor pains or other bleeding (if you're pregnant)
- Severe chest pains or heart attack symptoms
- Overdosed on drugs
- Ingested poison
- Bad burns
- Shock symptoms (sweat, thirst, dizziness, pale skin)
- Convulsions or seizures
- Trouble breathing
- The sudden inability to see, move or speak
- Gun or knife wounds

### Don't go to the ER for:

- Flu, colds, sore throats or earaches
- Sprains or strains
- Cuts or scrapes that don't require stitches
- More medicine or prescription refills
- Diaper rash

### What if you need Emergency Care out of our service area?

Our plan will pay for emergency care while you are out of the county or state. If you go to an out-of-network ER and you aren't experiencing a true emergency, you may be responsible for any amounts above what your plan covers. Those additional amounts could be very large and would be in addition to your plan's cost sharing and deductibles.

Learn more about your options <https://Ambetter.SilverSummitHealthplan.com/resources/handbooks-forms/where-to-go-for-care.html>

## Ambetter Telehealth

Ambetter Telehealth is your convenient, 24-hour access to Virtual Urgent Care visits with Teladoc providers. These visits are great for when you need care fast for non-emergency health issues such as minor sprains, bruises, minor abrasions, sore throat or flu. Visits can be scheduled if you need help right now but you can also schedule visits in advance for a time that best fits with your schedule. These visits are available to members with a \$0 copay in most states and plans.\*

Before you start using Ambetter Telehealth, you will need to set up your account by visiting <https://Ambetter.SilverSummitHealthPlan.com/health-plans/our-benefits/ambetter-telehealth.html> and navigating to the “Be Prepared & Set Up Your Telehealth Account” section.

Ambetter does not provide medical care. Medical care is provided by individual providers through Teladoc Health.

\*For members on HSA plans, the \$0 copay does not apply until after the deductible is met.

## 24/7 Nurse Advice Line

Our free 24/7 nurse advice line makes it easy to get answers to your health questions. You don't even have to leave home! Staffed by licensed nurses, our 24/7 nurse advice line runs all day, every day. Learn more about your options by calling 1-866-263-8134 (TTY 1-855-868-4945) or by visiting [Ambetter.SilverSummitHealthPlan.com](https://Ambetter.SilverSummitHealthPlan.com).

To find another provider or specialist in our network, check out our provider list on the **Find a Doctor** page at [guide.ambetterhealth.com](https://guide.ambetterhealth.com).

## WHAT TO DO IF YOU RECEIVE A BILL

When seeing an in-network provider, including but not limited to physicians, hospitals, pharmacies, facilities and health care professionals, you are responsible for any applicable cost sharing amounts (e.g. co-pay, deductible or co-insurance). Your member responsibility can be viewed on the explanation of benefits. This can be found by logging into your secure account at [Member.AmbetterHealth.com](https://Member.AmbetterHealth.com).

As a member of Ambetter, non-network providers should not bill you for covered services for any amount greater than your applicable in-network cost sharing responsibilities when:

- You receive a covered emergency service or air ambulance service from a non-network provider. This includes services you may get after you are in stable condition, unless the non-network provider obtains your written consent to bill you for their service.
- You receive non-emergency ancillary services (emergency medicine, anesthesiology, pathology, radiology, and neonatology, as well as diagnostic services (including radiology and laboratory services)) from a non-network provider at a network hospital or network ambulatory surgical facility.
- You receive other non-emergency services from a non-network provider at a network hospital or network ambulatory surgical facility, unless the non-network provider obtains your written consent to bill you for their service.

If you receive a bill for services in the above situations, please contact Member Services at 1-866-263-8134 (TTY 1-855-868-4945).

Refer to your *Evidence of Coverage* for information on Balance Billing and Eligible Service Expenses.

# Member Complaints, Grievances, & Appeals Process

We have steps for handling any problems you may have. To keep you satisfied, we provide processes for filing appeals or complaints. You have the right to file a complaint, file an appeal, and right to an external review. You have the right to appeal any determination where services were denied, reduced or suspended. This includes your right to appeal to an external independent review. We will resolve all appeal requests in a time that is appropriate to your request and condition.

Instruction on this process can be found in the *Evidence of Coverage* (EOC) and the Summary of Benefits (SBC): [Ambetter.SilverSummitHealthPlan.com/health-plans.html](http://Ambetter.SilverSummitHealthPlan.com/health-plans.html).

# Utilization Management

## What Is Utilization Management?

We want to make sure you get the right care and services. Our utilization management (UM) process is designed to make sure you get the treatment you need.

We will approve all covered benefits that are medically necessary. Our Utilization Management Department checks to see if the service needed is a covered benefit. If it is covered, the UM nurses check to see if the service is medically necessary. They do this by reviewing the medical notes and talking with your doctor. Ambetter does not reward or pay our doctors or employees for approving or denying services. All decisions are based on appropriate care and coverage.

Ambetter's utilization review includes services to ensure the care you receive is the best way to help improve your health condition. For questions about UM, please call 1-866-263-8134 (TTY 1-855-868-4945).
