

**AMBETTER FROM SUPERIOR HEALTHPLAN  
HEALTH MAINTENANCE ORGANIZATION  
WRITTEN DESCRIPTION OF COVERAGE**

**PROVIDED BY AMBETTER FROM SUPERIOR HEALTHPLAN**  
*(Hereafter referred to as “Ambetter from Superior HealthPlan”)*

READ YOUR EVIDENCE OF COVERAGE CAREFULLY. This written plan description provides a very brief description of the important features of your contract. This is not the insurance contract and only the actual contract provisions will control. The contract itself sets forth, in detail, the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR EVIDENCE OF COVERAGE CAREFULLY!

The entity providing this coverage to you is an HMO, Superior HealthPlan. Your health insurance *Evidence of Coverage* only provides benefits for services received from *participating providers*, except as otherwise noted in the *contract* and written description or as otherwise required by law.

A *network* means a group of *providers* or *facilities* (including, but not limited to *hospitals*, inpatient mental healthcare facilities, medical clinics, behavioral health clinics, acupuncturists, chiropractors, massage therapists, nurse practitioners, addiction medicine practitioners, etc.) who have contracts with us, or *our* contractor or subcontractor, and have agreed to provide healthcare services to *our enrollees* for an agreed upon fee. *Enrollees* will receive most, if not all, of their healthcare services by accessing the *network*.

**For additional information please write or call:  
Ambetter from Superior HealthPlan  
5900 E. Ben White Blvd.  
Austin, TX 78741  
1-877-687-1196**

A *network provider* (or *participating provider*) means any person or entity that has entered into a contract with Ambetter from Superior HealthPlan under the Ambetter Value TX network to provide *covered services* to *enrollees* under this *contract*, including but not limited to, *hospitals*, specialty hospitals, urgent care facilities, *physicians*, pharmacies, laboratories and other health professionals within our *service area*.

All *enrollees* must select a *primary care provider (PCP)*. You may select any *network PCP* who is accepting new patients, or you may select a *network provider* of which you are a current patient. If you do not select a *PCP* for each *enrollee*, one may be assigned. You may obtain a list of *network PCP* at *our* website or by contacting Member Services. Until a *primary care provider* is selected or assigned, benefits will be limited to coverage for *emergency care*. You may select any network *PCP* who is accepting new patients from any of the following health care professional types:

- Family practitioners
- General practitioners

- Internal medicine
- Nurse practitioners\*
- Physician assistants
- Obstetricians/gynecologists
- Pediatricians (for children)

Your *PCP* coordinates your medical care, as appropriate, either by providing treatment or by issuing *referrals* to direct you to *participating providers*. When admitted to an inpatient facility, and only through the duration of your inpatient stay, a physician other than the *PCP* may direct and oversee your care. Except for *emergency care*, only those services which are provided by or referred by your *PCP* will be covered. It is your responsibility to consult with your *PCP* in all matters regarding your medical care. If your *PCP* performs, suggests, or recommends a course for treatment for you that includes services that are not *covered services*, the entire cost of any such non-*covered services* will be your responsibility.

In addition to a *PCP*, female *enrollees* may also select a participating Obstetrician/Gynecologist (OB/GYN Care) for gynecological and obstetric conditions, including annual well-woman examinations and maternity care, without first obtaining a *referral* from a *PCP* or contacting us. *Enrollees* who have been diagnosed with a chronic, disabling or life threatening illness may request approval to choose a participating *specialist* as a *PCP* using the process described in the Specialist as a Primary Care Provider provision.

#### Covered Services and Benefits

The Ambetter from Superior HealthPlan Schedule of Benefits and plan brochures for all plan options can be found at the links below. These documents will explain all covered services and benefits, including payment for services of a *participating provider* and *non-participating provider*, and *prescription drug coverage*, both generic and name brand after the *deductible* has been met.

The Schedule of Benefits will also provide an explanation of your financial responsibility for payment for any premiums, *deductibles*, *copayments*, *coinsurance* or other out-of-pocket expenses for non-covered or non-participating services. Please note that we will pay the negotiated fee or usual and customary rate to *non-participating* or *non-network providers*, as explained under the “*eligible service expense*” definition found in your *contract*.

#### Acquired Brain Injury Services

Benefits for eligible service expenses incurred for medically necessary treatment of an acquired brain injury will be determined on the same basis as treatment for any other physical condition. #### Emergency Care Service and Benefits

Your *Evidence of Coverage* provides coverage for medical emergencies wherever they occur. In an emergency, always call 911 or go to the nearest *hospital* emergency room (ER).

Anything that could endanger your life (or your unborn child's life, if you're pregnant) without immediate medical attention is considered an emergency situation. Examples of medical emergencies are unusual or excessive bleeding, broken bones, acute abdominal or chest pain, unconsciousness, convulsions, difficult breathing, suspected heart attack, sudden persistent pain, severe or multiple injuries or burns, and poisonings.

If reasonably possible, you should contact the *network provider* or behavioral health practitioner before going to the *hospital* emergency room/treatment room. He/she can help you determine if you need *emergency care* or treatment for an accidental *injury* and recommend that care. If you cannot reach your *provider* and you believe the care you need is an emergency, you should go to the nearest emergency *facility*, whether or not the *facility* is a *preferred/network provider*.

If admitted for the emergency condition immediately following the visit, *prior authorization* of the *inpatient hospital* admission will be required, and *inpatient hospital* expenses will apply. All treatment received during the first 48 hours following the onset of a medical emergency will be eligible for *network* benefits. After 48 hours, *network* benefits will be available only if you use *preferred/network providers*. If after the first 48 hours of treatment following the onset of a medical emergency, and if you can safely be transferred to the care of a *preferred/network provider* but are treated by a *non-network provider*, only out-of-network benefits will be available.

Your *contract* also covers after-hours care. Sometimes you need medical help for non-life threatening conditions when your *PCP's* office is closed. If this happens, you have options. You can call our 24/7 Nurse Advice Line at 1-877-687-1196. A registered nurse is always available and ready to answer your health questions. You can get medical advice, a diagnosis or a prescription by phone or video by using our Telehealth services 24/7. Visit our website for details. You can also go to an *urgent care center*. An *urgent care center* provides fast, hands-on care for *illnesses* or *injuries* that aren't life threatening but still need to be treated within 24 hours. Typically, you will go to an urgent care if your *PCP* cannot get you in for a visit right away. Common urgent care issues include sprains, ear infections, high fevers and flu symptoms or vomiting.

#### Out-of-Area Service and Benefits

When outside of the *service area*, routine or maintenance care is not covered. However, your *Evidence of Coverage* covers emergency care out of the *service area*, subject to *deductibles*, *coinsurance* and maximum out of pockets, as listed in the Covered Healthcare Services and Supplies section of your *contract*. A definition of the Ambetter from Superior HealthPlan *service area* is defined within this document.

#### Non-Emergency Services

If you are traveling outside of the Texas service area you may be able to access *providers* in another state if there is an Ambetter plan located in that state. You can locate Ambetter

*providers* outside of Texas by searching the relevant state in *our provider* directory at <https://guide.ambetterhealth.com>. Not all states have Ambetter plans. If you intend to seek care from an Ambetter *provider* outside of the service area, you may be required to obtain *prior authorization* from the originating Ambetter state for non-emergency services. Contact Member Services at the phone number on your member identification card for further information.

#### Hospital Based Providers

When receiving care at a *network hospital*, it is possible that some *hospital-based providers* (for example, assistant surgeons, hospitalists, and intensivists ) may not be under contract with us as *network providers*. If appropriate notice is provided to and acknowledged by you before rendering services, you may be responsible for payment of all or part of the fees those professional services that are not paid or covered by us – this is known as “*balance billing*”,. We encourage you to inquire about the *providers* who will be treating you before you begin your treatment, so you can understand their *network* status with us. Any amount you are obligated to pay to the non-network provider in excess of the *eligible expense* will not apply to your *deductible amount* or *maximum out-of-pocket amount*. You may not be balance billed for non-emergency ancillary services (emergency medicine, anesthesiology, pathology, radiology, and neonatology, as well as diagnostic services (including radiology and laboratory services)) received from a *non-network provider* at a *network hospital* or *network* ambulatory facility. If you are balance billed in these situations, contact Member Services at the phone number on your member identification card.

#### Enrollee's Financial Responsibility

The following are the features of your *Evidence of Coverage* with Ambetter from Superior HealthPlan that require you to assume financial responsibility for payment of premiums, *deductibles*, *coinsurance* or any other out-of-pocket expenses for non-covered services. You will be fully responsible for payment for any services that are not *covered service expenses* or are obtained out-of-network, with the exception of emergency services or *prior authorized* out-of-network services including access to *non-participating providers* when a *participating provider* is not reasonably available to you.

#### Premium Payment

PREMIUMS ARE SUBJECT TO CHANGE AT CONTRACT RENEWAL. Renewal premiums for this *contract* will increase periodically depending upon your age and plan year.

Each premium is to be paid to us on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

#### Grace Period

When an *enrollee* is receiving a premium subsidy:

Grace Period: A grace period of 90 days will be granted for the payment of each premium due after the first premium. During the grace period, the contract continues in force.

If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advanced premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *enrollee*

during the first and second month of the grace period, and may pend claims for *covered services* rendered to the *enrollee* in the third month of the grace period. We will notify HHS of the non-payment of premiums, the *enrollee*, as well as *providers* of the possibility of denied claims when the *enrollee* is in the third month of the grace period. We will continue to collect *advanced premium tax credits* on behalf of the *enrollee* from the Department of the Treasury, and will return the *advanced premium tax credits* on behalf of the *enrollee* for the second and third month of the grace period if the *enrollee* exhausts their grace period as described above. An *enrollee* is not eligible to re-enroll once terminated, unless an *enrollee* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When an *enrollee* is not receiving a premium subsidy:

Grace Period: A grace period of 60 days will be granted for the payment of each premium due after the first premium. During the grace period, the contract continues in force.

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *contract* will stay in force; however, claims may pend for *covered services* rendered to the *enrollee* during the grace period. We will notify the *enrollee*, as well as *providers* of the possibility of denied claims when the *enrollee* is in the grace period.

#### Deductibles

In addition to your premium, your *Evidence of Coverage* requires you to pay the amount of the *deductible* from one of the available plan options for each covered person for each calendar year.

The benefits of this *contract* will be available after satisfaction of the applicable *deductibles* as shown on your *Schedule of Benefits*. The *deductibles* are explained as follows:

*Calendar Year Deductible*: The individual *deductible amount* shown under “Deductibles” on your *Schedule of Benefits* must be satisfied by each participant under your coverage each calendar year.

This *deductible*, unless otherwise indicated, will be applied to all categories of *eligible service expenses* before benefits are available under this *contract*.

The following are exceptions to the *deductibles* described above:

1. If you have several covered dependents, all charges used to apply toward an “individual” *deductible amount* will be applied toward the “family” *deductible amount* shown on your *Schedule of Benefits*.
2. When that family *deductible amount* is reached, no further individual *deductibles* will have to be satisfied for the remainder of that calendar year. No *enrollee* will contribute more than the individual *deductible amounts* to the “family” *deductible amount*.

The *deductible amount* does not include any *copayment amount*.

After the *deductible* is satisfied, regular *contract* benefits will pay for covered expenses at the *coinsurance* percentage level for covered *inpatient* and outpatient expenses each calendar year.

Your *Evidence of Coverage* payments may be limited by *contract* exclusions and limitations. You will be responsible for any charge that is left unpaid after Ambetter from Superior HealthPlan has paid up to its *contract* limits and obligations.

#### Coinsurance Percentage

We will pay the applicable *coinsurance* in excess of the applicable *deductible amount(s)* and *copayment amount(s)* for a service or supply that:

1. Qualifies as a *covered service expense* under one or more benefit provisions; and
2. Is received while the *enrollee's* plan is in force under the *contract* if the charge for the service or supply qualifies as an *eligible service expense*.

When the annual maximum out-of-pocket amount has been met, additional *covered service expenses* will be provided or payable at 100 percent of the allowable expense.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *contract*;
2. A determination of *eligible service expenses*.
3. Any reduction for expenses incurred at a non-*network* provider.

Please refer to the applicable *deductible amount(s)*, *coinsurance*, and *copayment amounts* are shown on your *Schedule of Benefits*.

#### Changing the Deductible

You may increase the *deductible* to an amount currently available only if enrolled through a special enrollment period. A request for an increase in the *deductible* between the first and fifteenth day of the month will become effective on the first day of the following month. Requests between the sixteenth and last day of the month will become effective on the first day of the second following month. Your premium will then be adjusted to reflect this change.

#### Coverage Under Other Contract Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *contract*.

Such communication will include information on duration of participation, pharmacy to which *enrollee* is locked-in, and any appeals rights.

### Prior Authorization Requirements for Services

Some medical, pharmaceutical and behavioral health *covered services* require *prior authorization*. In general, *network providers* do not need to obtain *authorization* from Ambetter from Superior HealthPlan prior to providing a service or supply to an *enrollee*. However, there are some *covered services* for which you must obtain the *prior authorization*.

*Enrollees* are required to obtain a *referral* from their *PCP* for in-network *specialists* or other providers for additional healthcare services deemed *medically necessary*. A *referral* is required prior to a non-emergent visit with a practitioner outside of your *PCP* care services (excluding emergencies, urgent care, behavioral/mental health care services, and ob/gyn services). This includes, but is not limited to, in-person office visits, specialist consultations, and diagnostic testing, as well as visits to an in-network facility. Emergency Room services do not require a *referral*. You do not need a referral from your *network primary care physician* for in-network mental or *behavioral health* services, obstetrical or gynecological treatment and may seek care directly from a *network* obstetrician or gynecologist.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, you must obtain *prior authorization* from us before you or your *dependent enrollee*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which you or your *dependent*

*enrollee* were referred by a *non-network provider*.

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact Ambetter from Superior HealthPlan by telephone at the telephone number listed on your *member* identification card before the service or supply is provided to the *enrollee*.

Failure to comply with the *prior authorization* requirements may result in benefits being reduced or not covered. *Network providers* cannot bill you for services for which they fail to obtain prior authorization as required. Emergency care does not require *prior authorization*. In cases of emergency, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, you must contact us as soon as reasonably possible after the emergency occurs. Please see your *contract* and *Schedule of Benefits* for specific details.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, we will notify you and your *provider* if the request has been *approved* as follows:

1. For services that require *prior authorization*, within three calendar days of receipt.
2. For concurrent review, within 24 hours of receipt of the request.
3. For post-stabilization treatment or life-threatening condition, within the timeframe appropriate to the circumstances and condition of the *enrollee*, but not to exceed one hour of receipt of the request.
4. For post-service requests, within 30 calendar days of receipt of the request.

#### Continuity of Treatment In The Event of Termination of a Preferred Provider's Participation in the Plan

Under the No Surprises Act, if an *enrollee* is receiving a *covered service* with respect to an *network provider* or *facility* and: (1) the contractual relationship with the *provider* or *facility* is terminated, such that the *provider* or *facility* is no longer in network; or (2) benefits are terminated because of a change in the terms of the participation of the *provider* or *facility*, as it pertains to the benefit the member is receiving, the *provider* or *facility* must identify and request that *enrollees* experiencing special circumstances may be permitted to continue treatment under their care. Special circumstances mean conditions regarding which a treating physician or provider reasonably believes that discontinuing care by that physician or provider could cause harm to a patient. Example include disabilities, acute conditions, life-threatening illness, or are past the 24<sup>th</sup> week of pregnancy and the associated obligatory.

In addition, we will: (1) notify each enrollee who is a *continuing care patient* on a timely basis of the termination and their right to receive continued transitional care from the provider or facility; (2) provide the individual with an opportunity to notify the health plan of the individual's need for transitional care; and (3) permit the individual to elect to continue to have their benefits for the course of treatment relating to the individual's status as a continuing care patient during the period beginning on the date on which the above notice is provided and ending on the earlier of (i) the 90-day period beginning on such date; or the (ii) date on which such individual is no longer a continuing care patient with respect to their *provider* or *facility*.

2. We shall not engage in any retaliatory action, including terminating or refusal to renew a *contract*, against a *provider*, because the *provider* has, on your behalf, reasonably filed a *complaint* against us or has *appealed* a decision made by us.

#### Access to OB/GYN Services

Female *enrollees* shall have direct access to an OB/GYN (who is a *network provider*) for female services. You do not need a referral from your *network primary care physician* for obstetrical or gynecological treatment and may seek care directly from a *network* obstetrician or gynecologist.

## Guaranteed Renewable

This *contract* is guaranteed renewable. That means that you have the right to keep the *contract* in force with the same benefits, except that we may discontinue or terminate the *contract* if:

1. You fail to pay premiums as required under the *contract*;
2. You have performed an act or practice that constitutes fraud, or have made an intentional misrepresentation of material fact, relating in any way to the *contract*, including claims for benefits under the *contract*; or
3. We stop issuing the *contract* in Texas, but only if we notify you in advance.

Unless the *contract* is 'noncancellable,' as defined in the *contract*, we have the right to raise rates on your *contract* at each time of renewal, in a manner consistent with the *contract* and Texas law. We will provide a written notice of increase in a charge for coverage not less than 60 days before the date the increase takes effect. If the *contract* is noncancellable, *our* right to raise rates is limited by the definition of 'noncancellable' contained in the *contract*, and by Texas law.

Annually, we may change the rate table used for this *contract* form. Each premium will be based on the rate table in effect on that premium's due date. The plan, and age of covered *enrollees*, type and level of benefits, and place of residence on the premium due date are some of the factors used in determining your premium rates. We have the right to change premiums.

At least 31 days notice of any plan to take an action or make a change permitted by this clause will be delivered to you at your last address as shown in *our* records. We will make no change in your premium solely because of claims made under this *contract* or a change in a covered *enrollee's* health. While this *contract* is in force, we will not restrict coverage already in force. If we discontinue offering and refuse to renew all *contracts* issued on this form, with the same type and level of benefits, for all residents of the state where you reside, we will provide a written notice to you at least 90 days prior to the date that we discontinue coverage.

Annually, we must file this product, the *cost share* and the rates associated with it for approval. Guaranteed renewable means that your plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with *contract* terms. You may keep this *contract* (or the new *contract* you are mapped to for the following year, whether associated with a discontinuance or replacement) in force by timely payment of the required premiums. In most cases you will be moved to a new *contract* each year, however, we may decide not to renew the *contract* as of the renewal date if: (1) we decide not to renew all *contracts* issued on this form, with a new *contract* at the same metal level with a similar type and level of benefits, to residents of the state where you then live or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of an *enrollee* in filing a claim for *covered services*.

In addition to the above, this guarantee for continuity of coverage shall not prevent us from cancelling or non-renewing this *contract* in the following events: (1) non-payment of premium; (2) an *enrollee* fails to pay premiums or contributions in accordance with the terms of this *contract*, including any timeliness requirements; (3) an *enrollee* has performed an act or practice that constitutes fraud or has made an intentional misrepresentation of material fact relating to this *contract*; or (4) a change in federal or state law, no longer permits the continued offering of such coverage, such as CMS guidance related to individuals who are Medicare eligible.
