Learn More About Your Select Member Plan

Your Select plan offers the benefit of seeing doctors in certain health systems. While no referrals are required to see a specialist, remember that no routine adult vision or dental benefits are available. For a full listing of these benefits, please refer to your Evidence of Coverage (EOC). These plan options are only offered within certain areas of AZ.

With your Select plan, you get to pick your Primary Care Physician (PCP). Your PCP is your main doctor — the one you see for regular checkups and your first option for care. To search our online Provider Directory, visit **ambetter.AZcompletehealth.com/find-a-provider.html**. Remember to select an in-network PCP!

In-network or network provider means a physician or provider who is identified in the most current list for the network shown on your Member ID Card. Services received from an **out-of-network provider** are not covered, except as specifically stated in your EOC. **Non-Emergent** Services: Can access Select Network providers in another state from Ambetter from Arizona Complete Health plans, limited to Arizona, Florida and Tennessee.
