Partners For Your Care

Ambetter of Illinois makes it easier for you to get the care you deserve—from the doctor you trust. We partner with Primary Care Providers (PCPs), specialists and other medical providers.

In this directory, you'll find a list of all of the providers in our network. If you choose to visit a provider that is not part of our network, your costs for receiving care will be affected. Remember that you might need a referral from your PCP in order to get care from certain providers or specialists.

We keep our list of providers updated and produce this directory regularly. For more information about a provider in this directory, visit **Ambetterofillinois.com** or call Member Services at **1-855-745-5507 (TTY 1-844-517-3431)**.

The Provider Directory has a list of all providers in our network.

Your Health. Your Choice.

Your PCP is the main doctor you will see for most of your medical care. This includes your check-ups, sick visits and other basic health needs. When you need care, all you have to do is call your PCP for an appointment.

All Ambetter Health members will need to select a PCP. Use this directory, visit **Ambetterofillinois.com** or call Member Services at **1-855-745-5507 (TTY 1-844-517-3431)** to select a PCP.

We believe that having a good relationship with your PCP makes it easier for you to stay healthy. Be sure to choose someone you are comfortable with. We recommend that everyone in your family have a PCP.

***Make sure to have your Ambetter Health Member ID Card
when you receive medical care or refill prescriptions.***

Your Medications Delivered Right to Your Door

Effective January 1, 2024: Ordering your medications through Express Scripts® Pharmacy Home delivery is a smart way to save time and money. Get a 90-day supply of maintenance medications delivered safely, on your schedule, to your door. Activate your account at **express-scripts.com/rx**.

Dedicated to Your Needs

We understand that you might need some extra help. If you use a wheelchair, walker, or another aid, let your PCP's office know when you make your appointment. Ambetter Health can always help you with talking to your doctor about your needs. Just call Member Services at **1-855-745-5507 (TTY 1-844-517-3431)**. We can help you access your PCP's office, and someone will be ready to help you when you get there.

Stay in Charge

If you think you need to go to an urgent care center, call your PCP. Your PCP may give you care and directions over the phone or direct you to the right place for care. If your PCP's office is closed, you have a few options:

- Visit a virtual urgent care provider through Teladoc by using <https://www.teladoc.com/ambettervirtualaccess/> and search 24/7 Urgent Care.
- Locate an in-network urgent care center to receive in-person care by using our online Ambetter Guide at **Guide.AmbetterHealth.com**, type in "Urgent Care" and your zip code, then click search.
- Call our 24/7 Nurse Advice Line at **1-855-745-5507 (TTY 1-844-517-3431)**. A nurse will help you over the phone or direct you to other care.

Check your Schedule of Benefits to see how much you must pay for urgent care services. After your visit, let your PCP know you were seen at an urgent care and why.

For serious emergencies, call 911 or visit the Emergency Room (ER). Call your PCP or our 24/7 Nurse Advice Line if you're not sure if you should go to the ER.

Go to the ER if you have:

- Broken bones
- Bleeding that won't stop
- Labor pains or other bleeding (if you're pregnant)
- Severe chest pains or heart attack symptoms
- Overdosed on drugs
- Ingested poison
- Bad burns
- Shock symptoms (sweat, thirst, dizziness, pale skin)
- Convulsions or seizures
- Trouble breathing
- The sudden inability to see, move or speak
- Gun or knife wounds

Don't go to the ER for:

- Flu, colds, sore throats or earaches
- Sprains or strains
- Cuts or scrapes that don't require stitches
- More medicine or prescription refills
- Diaper rash

You can use any hospital to receive emergency services.

Have your Ambetter Health Member ID Card and photo ID ready. You will need them whenever you receive any type of care. Urgent care is not emergency care. Only go to the ER if your doctor tells you to or if you have a life-threatening emergency.

Nos asociamos para brindarle atención.

Ambetter of Illinois hace que sea más fácil para usted obtener la atención que merece, del médico en quien confía. Nos asociamos con Proveedores de Cuidado Primario (PCP), especialistas y otros proveedores de atención médica.

En este directorio encontrará una lista de todos los proveedores de nuestra red. Si decide visitar a un proveedor que no forma parte de nuestra red, sus costos por recibir atención se verán afectados. Recuerde que usted podría necesitar una remisión de su PCP para obtener atención de ciertos proveedores o especialistas.

Mantenemos nuestra lista de proveedores actualizada y publicamos este directorio regularmente. Para obtener más información acerca de un proveedor en este directorio, visite **Ambetterofillinois.com** o llame a Servicios para Miembros al **1-855-745-5507 (TTY 1-844-517-3431)**.

***En el Directorio de Proveedores hay una lista de todos los
proveedores de nuestra red.***

Su salud. Su elección.

Su PCP es el médico principal al que usted verá para la mayor parte de su atención médica. Esto incluye sus chequeos, consultas por enfermedad y otras necesidades básicas de salud. Cuando necesite atención, todo lo que tiene que hacer es llamar a su PCP para agendar una cita.

Todos los miembros de Ambetter Health deberán seleccionar un PCP. Utilice este directorio, visite **Ambetterofillinois.com** o llame a Servicios para Miembros al **1-855-745-5507 (TTY 1-844-517-3431)** para seleccionar un PCP.

Creemos que tener una buena relación con su PCP hace que sea más fácil para usted mantenerse saludable. Asegúrese de elegir a alguien con quien se sienta cómodo. Recomendamos que todos los miembros de su familia tengan un PCP.

Asegúrese de llevar consigo su Tarjeta de Identificación de Miembro de Ambetter Health cuando reciba atención médica o resurta medicamentos recetados.

Sus Medicamentos se Entregan Directamente en su Puerta

Entra en vigor a partir del 1 de enero del 2024: Pedir sus medicamentos a través del servicio de entregas Express Scripts® Pharmacy Home es una manera inteligente de ahorrar tiempo y dinero. Reciba una entrega segura, a tiempo y en su puerta de un suministro de 90 días de sus medicamentos de mantenimiento. Active su cuenta en express-scripts.com/rx.

Nos enfocamos en sus necesidades.

Entendemos que puede que necesite ayuda adicional. Si usa una silla de ruedas, andador u otro tipo de ayuda, comuníquese al consultorio de su PCP cuando haga su cita. Ambetter Health siempre puede ayudarlo a hablar con su médico acerca de sus necesidades. Simplemente llame a Servicios para Miembros al **1-855-745-5507 (TTY 1-844-517-3431)**. Podemos ayudarlo a acceder al consultorio de su PCP, y alguien estará listo para apoyarlo cuando llegue allí.

Mantenga el control.

Si cree que necesita ir a un centro de atención de urgencia, llame a su PCP. Su PCP puede brindarle atención e instrucciones por teléfono o dirigirlo al lugar correcto para que reciba atención. Si el consultorio de su PCP está cerrado, usted tiene algunas opciones:

- Consultar a un proveedor de atención de urgencia virtual a través de Teladoc mediante <https://www.teladoc.com/ambettervirtualaccess/> y buscar 24/7 Urgent Care (atención de urgencia las 24 horas del día, los 7 días de la semana).
- Localizar un centro de atención de urgencia dentro de la red para recibir atención en persona a través de nuestra Guía de Ambetter en línea, disponible en guide.ambetterhealth.com; para ello, escriba "Urgent Care" (atención de urgencia) y su código postal y, a continuación, haga clic en Search (Buscar).
- Llamar a nuestra Línea de Asesoramiento de Enfermería, disponible las 24 horas del día, los 7 días de la semana, al **1-855-745-5507 (TTY 1-844-517-3431)**. Un miembro del personal de enfermería lo ayudará por teléfono o lo dirigirá a otros cuidados.

Revise su Programa de Beneficios para ver cuánto debe pagar por los servicios de atención de urgencia. Después de su consulta, dígame a su PCP que recibió cuidados en un centro de atención de urgencia y por qué.

Para emergencias graves, llame al 911 o visite la Sala de Emergencias (ER). Si no está seguro de si debería ir a la ER, llame a su PCP o a nuestra línea de Asesoramiento de Enfermería.

Vaya a la ER si presenta lo siguiente:

- Fracturas
- Sangrado que no se detiene
- Dolores de parto u otro sangrado (si está embarazada)
- Dolores torácicos intensos o síntomas de un ataque cardíaco
- Sobredosis de medicamentos
- Ingesta de productos tóxicos
- Quemaduras graves
- Síntomas de choque (sudor, sed, mareos, piel pálida)
- Convulsiones
- Dificultad para respirar
- Una repentina incapacidad de ver, moverse o hablar
- Heridas con pistola o cuchillo

No vaya a la ER si presenta lo siguiente:

- Gripes, resfríos, dolores de garganta o dolores de oído
- Esguinces o distensiones
- Cortes o rasguños que no requieren puntos de sutura
- Más medicamentos o resurtidos de medicamentos recetados
- Erupción debido al pañal

Usted puede acudir a cualquier hospital para recibir servicios de emergencia.

Tenga a mano su Tarjeta de Identificación de Miembro de Ambetter Health y su documento de identidad con fotografía. Los necesitará siempre que reciba cualquier tipo de atención. La atención urgente no constituye atención de emergencia. Vaya a la ER solo si su médico se lo indica o si tiene una emergencia potencialmente mortal.
