

# Thank You for Being Our Partners in Care

## Ambetter of Alabama shares your commitment to your patients.

Our health plans are designed to meet patient healthcare needs with top-quality coverage and valuable benefits. We offer complete care and valuable services to your patients who qualify for coverage on the Health Insurance Marketplace.

## Tools and Support for You

Ambetter of Alabama is dedicated to providing you with reliable services and support. As our partner, you have access to industry knowledge, resources and programs created to deliver efficiency for your practice, so you can focus on your patients.

We believe that delivering quality care doesn't have to be complicated. So, to make working with us easier, we developed the Ambetter Provider Toolkit. The toolkit can be accessed by visiting [www.AmbetterofAlabama.com](http://www.AmbetterofAlabama.com). It's designed to provide you with valuable education and materials to simplify your administrative responsibilities— so you can focus on providing care.
