

QUICK REFERENCE GUIDE

About Your Plan

This is a guide to your Ambetter from Sunflower Health Plan. It is aimed to help you take charge of your health and get the most out of your benefits.

Your Primary Care Provider

Your Primary Care Provider (PCP) is your main physician or provider that helps you with your basic medical needs.

To view or change your PCP, go to

Make sure your PCP is in-network. This means the doctor, pharmacy, or facility is included in the Ambetter Health network. Always use in-network services and physicians to prevent additional costs.
